It is my immense pleasure to inform you that, the year plan for the United Nations Youth and Students Association of Bangladesh has been drafted and we are working to implement it throughout the year 2017.

This year, UNYSAB has scheduled to organize a total of 41 events including three model UN conferences. UNYSAB would be partnering with at least three MUN conferences as well.

UNYSAB has decided to initiate two programs in 2017 as a part of its endeavor to develop the skills of its members and also the youth of Bangladesh for whom UNYSAB works. We will be launching Dream Orange to develop the soft skills of Bangladeshi youth, and a capacity building training for the members. Moreover, like every other year, UNYSAB will continue organizing MUN workshops.

UNYSAB is also determined to continue its flagship projects and humanitarian support programs like Eid for Street Children and winter cloth distribution.

This is to mention that, the website of UNYSAB has been renovated and our team is working to publish the Activity Report of 2016 as soon as possible.

We would like to thank all the well-wishers of UNYSAB and we hope that the support rendered by them in previous years would also continue throughout the future.

Please find the UNYSAB Year Plan 2017 herewith the paper.
